# FOREWORD

This year we have attempted to combine the old with the new on our cover by using the traditional school colors — a rich blue with clear white relief, and by initiating a new device — raised lettering on the leather surface. We hope you approve. On the following pages we have recorded all the momentous events and the more trivial incidents which made our reign at the School on the Hill so outstanding. May these memories that will remain long after the citizens of N. H. S. have become active citizens of their town and their nation bring you everlasting pleasure.

# Dedication

In the great republic of these United States, in the ancient and honorable Commonwealth of Massachusetts, in the beautiful and picturesque county of Norfolk, there lies a modern and progressive town which always excites favorable comment from everyone who sees it. That town is our town — the town of Norwood — whose Indian name, Tiot, means enclosure of waters. To us it means something more precious, namely home. No more loved word exists in any language, and it will always be associated in our hearts with the name of our home town, Norwood. And so it is to Norwood that we fondly and sincerely dedicate our senior yearbook on this, the occasion of her eightieth birthday. May she ever remain the symbol of all that is fine and truly American.

# ON THE TOWN

In 1872, the South Dedham Parish was set off from Dedham and incorporated as the Town of Norwood, with an area of nine square miles, a population of 1,560, and a valuation of real estate and personal property slightly in excess of $1,000,000.

Today, eighty years later, it is a flourishing community with an abundance of civic facilities, an area of ten square miles, and a population of about 17,000. The current value of its real estate and personal property is estimated at $26,551,480.

The reasons for this amazing development have been numerous and varied. Among them are the founding of the Winslow Bros. & Smith Tannery in 1776, the construction of the East Walpole Bird Plant, the coming of the Norfolk County railroad, the establishment of the Morrill Ink Plant, the building of the Norwood and Plimpton Presses, the Holliston Mills, the Tobe Deutschmann Corporation, and, very recently, the Workshop Associates, the Engineering Control Corporation and the Neilson Pattern Works. Waves of strangers swept into town to help in the operation of these, and, as a result, the town increased in size and material wealth.

Norwood now boasts thirteen churches, ten schools, a 150 bed Class-A hospital, a modern Class-1 post office, an excellent library, and a completely equipped Armory. The recreational needs of the town are more than adequately taken care of by a park system of thirty acres with six baseball and football fields, a bathing beach, an outdoor swimming pool, numerous tennis courts, three theatres, and several halls and sports centers.

Norwood was the first New England town to adopt the Town Manager form of government. Local business is transacted in the distinctively designed Memorial Municipal Building, the tower of which houses the famous Tilton Carillon of fifty-two bells. There are also two hundred retail stores selling all types of merchandise and a million-dollar airport in the community.

The principal items produced in the town include books, printing and binding, asphalt shingles and roofing, floor coverings and rugs, hides and leather, brake shoes and foundry products, shipping cases, printing ink, and machine products.

## WE CREEP

In September 1949, a group of graduates from the Junior High and St. Catherine schools came together for the first time as a unit to form the present Senior Class. How much we enjoyed the free passing, the uninhibited talking, and "buzz-buzz" of the lunchroom! The girls were wide-eyed at the poise and the chic grooming of the Junior and Senior girls; the boys marvelled at the manliness and intellectual prowess of those Junior and Senior invincibles of scholastic and athletic fame. The addition to our vocabularies of such phrases as "Big Wheel" and "Senior Ace" will remain in our memories as characteristic of the members of the then Senior Class.

Having tentatively established ourselves as Sophomores, we entered upon the serious business of electing class officers. With so little time behind us, we made the excellent choice of Joseph Paquette for president; Kenneth Sykes, vice-president; Patricia Vescio, secretary; Sally Bernier and Jimmy Conley, treasurers; and Milda Elias and Teddy Travers, A. A. representatives. We were now bona fide citizens of Tiot Town, a distinction for which we had waited so long.

With our class party came our first social success. Versatile Ray Rall was our M.C., and some of the gifted members of our class, including such stars as Wanda Wojdag, Barbara Riley, and Donald Crummet put on an authentic cabaret entertainment. Following this, the Christmas Assembly, staged annually by the infant class, was an indication of the capabilities of the Sophomores with Jo-Anne Bullock, Kenneth Sykes, Joseph Paquette, Paul Foster, Philip Riley, and Eddie Padden, supported by some of us lesser lights, admirably fulfilling our desire to be considered an active and talented class.

Although we were quite active in the field of sports, we did not have any outstanding athletes, as these positions were well taken care of by those Junior and Senior towers of brawn. However, we had gained a foothold in the activities of the high school. Each member of the class had had an opportunity to show his particular aptitudes and knew in a general way in what he wished to excel in the coming two years.

## WE WALK

Came September 1950, we climbed the steps of the red brick building with light hearts and cheery smiles. No longer could we be called "Sophomoric"—we were now Juniors! As such we were expected to take greater responsibilities in school activities and accomplish more serious work academically. To chart our more difficult course, we selected the following slate of officers: Joseph Howard, president; George Fitzgerald, vice-president; Marilyn Johnson, secretary; Frances Healy and Jimmy Conley, treasurers; and Dorothy Hillman and Gene Erickson, our A. A. representatives.

Some of our most pleasant memories in future years will be those of the sunny afternoons when we sat watching the football games with our own Junior athletes assisting the basically Senior team.

Ken Sykes and "Red" Murphy found new honors as a result of their active participation on the basketball court. Ray Hall was the Junior Class' contribution to the All-Star Basketball Squad. We'll never forget those beautiful half-court shots of his that discouraged many an opponent.

Returning to the social side of our activities, one might describe the gym in its setting for our prom as a "little bit of heaven" with "Orchids in the Moonlight" as the theme for the effective decorations. Approximately eighty couples enjoyed what was considered one of the most successful Junior Proms ever.

As the end of this busy year approached, our marks rose, our spirits rose, and we completed our official tasks with various important elections. Foremost was the choice to have Carol Kenefick and Philip Riley combine their talents as co-editors of our 1952 TIOT. George Fitzgerald, Philip Riley, and Kenneth Sykes represented us at Boys' State at the University of Massachusetts and Carol Kenefick went to Girls' State at Bridgewater. The Student Council elected William Frates to act as their representative at a convention held in Wellesley. The popular vote to have Milda Elias assisted in her cheerleading duties by Dorothy Hillman, Frances Healy, Sally Bernier, Marilyn Johnson, Patricia Vescio, and Sophomore Mary McNally, formed a spirited and attractive group that resembled a page from "Seventeen". Following traffic elections, Mr. O'Donnell's "outstanding citizens" of the traffic squad numbered only forty, but we felt that all 204 of us could qualify for those positions. With the approved listing of those upholders of law and order, we felt amply prepared for the Fall and the beginning of our last and most important year.

## WE RUN

Let's take a quick glance over this year of years. The first important bit of business to which we turned our attention was the election of class leaders. By popular acclaim, Joseph Howard was re-elected as top man on our roster; Edward Shaughnessy, vice-president; Mary Alice Cormier, secretary; Frances Healy and Jimmy Conley, re-elected as treasurers; and Salvy DeRose and Dorothy Hillman our A. A. representatives. About this same time Carol Kenefick and Philip Riley, co-editors, began concentrating their talents on shaping up our yearbook. Working with them on this project were Art Editors, Margery Crosby and Ace Carchedi; Advertising Editors, Fay Butler and Paul Foster; and Milda Elias and Peter Saunders as Circulation Editors. Remember those homeroom periods in 211?

We jumped enthusiastically aboard the football bandwagon and on Thanksgiving we carved a name for ourselves in history by beating Norwood's arch rival, Dedham, after twelve long years. Many thanks to our three coaches, co-captains Hart and Shaughnessy, and the entire team for accomplishing what was thought to be impossible.

Even during that hectic football season, the Senior Play "Spring Green" was being conscientiously rehearsed with the finished product a credit to the ability of both the director, Mrs. Charles Donahue, and the players. A few of our talented classmates in this field include the inimitable Peter Saunders, Mary Folan, Joseph Howard, Jane Kijanowski, Paul Foster, Carol Kenefick, Philip Riley, Mary Laverick, Diane Crowley, Ernest Carlson, Richard Esper, David Burke, and Dorothy Lovell.

We bestowed the honor of candidate to the D. A. R. Conference on Fay Butler, while William Frates was elected to represent N. H. S. at the Good Government Day exercises.

After returning from the winter vacation, the strains of music wafting their way throughout the building signified the commencement of preparations for our Senior Musicale "The Pirate's Daughter". Jo-Anne Bullock, Fay Butler, Donald Crummet and Teddy Travers, as the stars, capably led the rest of us in a colorful production. Then after wading our way through College Boards, etc., our gala Senior Prom finally arrived. The decorations were cleverly planned and executed, and the evening was another to be added to our happy times.

The remaining days of our high school career were filled with anticipation and the excitement of our coming graduation. Even though we are reluctant to leave the security and happiness we have known here in school, we feel that we have been well equipped to achieve a bright and shining future.

# In Memoriam

*Just prior to our entrance into high school we were all immeasureably saddened by the death of one of our most outstanding and promising classmates, Tommy Lynch. Many times since then have we realized how great was our loss, as well as that of his family and of the community, for Tommy was of the stuff of which leaders of men are made. We have found and we offer solace in the words of Calvin Coolidge, that like his own son, Tommy "has by the grace of God the privilege of being a boy throughout all eternity."*

DRESSMAKING DEPARTMENT

Dressmaking is a trade which possesses many advantages. Trade methods, techniques, and equipment are used to prepare our students for the business world.

ART DEPARTMENT

One phase in the study of Costume Design is the thorough knowledge of the Historic. This dressmaking class is modeling papier-mache mannequins which, when finished, will wear costumes made by the girls and dating from early Egyptian through English and French of the late 18th century.

BEAUTY CULTURE DEPARTMENT

Beauty Culture has become a major profession in the world today. The cosmetician becomes well skilled in her trade at the Henry O. Peabody School and is able to maintain a high standard in this field.

# DEPARTMENTS

## BUSINESS DEPARTMENT

The Business Department of the School continues to provide vocationally trained and skilled girls for elective employers. Graduates from this department have developed, to a high degree, the poise and confidence which are so essential to the high school graduate entering the held of business for the first time.

## TEA ROOM

The Tea Room affords the student practice in the preparation of foods, stressing high standards and efficient service.

## BAKERY DEPARTMENT

The Bakery Department prepares the student for all types of bakery work, mixing, baking and decorating, and in all of the duties of a pastry cook either for an institution or a tea room.

# Never A Dull Moment

Our first activity, the school picnic, was held at Duxbury Beach in September. It was a beautiful Indian summer day, and swimming, games, and the highlight of the trip—a cook-out supper—were enjoyed by all.

Hallowe'en was soon upon us and with it our annual party. The tunnel of horrors, and a series of humorous skits provided the entertainment. Refreshments were served, and dancing enjoyed.

Elections presented a serious part of our program and these were held according to tradition early in the year. Campaigns were waged with posters, meetings and speeches. Our school leaders were worthy students and have shown themselves to be enthusiastic supporters of our ideals and traditions.

Parents' Night was held in November this year instead of March, and it enabled teachers, parents, and students to become better acquainted early in the year. An interesting panel discussion was held, with parents and former students taking part and Mr. Lynch acting as chairman.

December means Christmas, and our Christmas Sale featured beautiful handmade articles and delicious foods. Our long awaited Christmas banquet was a combination of food, laughter and dancing. A group of students presented the Christmas customs of many lands in a series of tableaux.

After the winter, April ushered in spring and with it our Prom. Girls were beautifully gowned and with stars in their eyes had a glorious evening.

In May, we held Open House with hordes of people coming to see the expert workmanship of our students. Open House was a special occasion this year since it played a part in our tenth anniversary program.

June came, and as a closing for our year, the Juniors held the Step Party for us. We, as Seniors, were both happy and sad to think such a pleasant time also meant the end of our happy school life.

*Boys' Vocational School*

In September, 1944, the Norwood Boys' Vocational School was established. This addition to the regular High School was set up according to standards approved by the State and Federal Governments and is offering a course in "Cabinet Making" for those students who intend to enter this industrial field.

Because of specialized training, classes must be kept small so that individual attention may be given to each student. One-half the school day is spent in the shop and the other half in the related classes of English, History, Science and Mathematics. All work done in the shop is of a productive nature and is completed according to industrial standards.

**CLASS OF 1953**

Another year has made its mark in the history of our class. Our second year of high school, and as "middle men"! Elections were held in the early fall and our Junior officers selected: President, Dick Bunker; Vice President, Dick Surette; Secretary, Rosemarie Kelley; Girls' Treasurer, Joyce King; Boys' Treasurer, John Cieri; and A. A. council representatives, Joan and Charles Sparrow.

The football team had the backing up of Mary McNally, our All-American Junior girl, who will captain next year's cheerleaders. And without the assistance of our Junior boys, such as Fred Parkinson, Al Lane, Richie Jenkins and Dick Surette, to mention a few, that final game victory could not have been achieved by the Class of '52! Basketball co-captains Johnny Cieri and Dick Bunker piled up many points on the basketball court, while Bill Neilsen, Paul Rombola and Dick Flaherty really "cut up" on the ice. "Willie" Rombola was named to the All-Star second team.

At midyear, in February, our Junior Prom was held. The gym was turned into a veritable garden with "Garden in the Rain" as the theme. A rainbow and a wishing-well, umbrellas, watering cans and rose-arbors all added up to a wonderful effect.

In June, we Juniors gave the Seniors a send-off on Class Day to finish the year in a blaze of glory, leaving us in eager anticipation of our senior year.

## CLASS OF 1954

This year's Sophomores entered the high school with the apprehension that seems to be traditional with the school's youngest class. We weren't quite sure what would happen next, as we waited in the corridors for the first day of high school to officially begin, but we expected the worst. All summer, students and graduates of Norwood High warned us of the treatment that Sophomores received. We gathered that the traffic officers' idea of supreme comedy was to direct Sophomores to the wrong rooms.

After considerable grumbling about locks that did not work, a lunch period that was too short and other crosses we were forced to bear, we settled down to a constructive year. Our first job was to elect our officers: Donald Tanneyhill, President; Gerald McNeil, Vice-president; Irene Falconer, Secretary; Petr Folan and Marilyn Aspro, treasurers; and Porta Sideropoulos and Paul Eckhardt A.A. representatives.

The refreshments, dancing and entertainment at the Sophomore party were enjoyed by all.

Our Christmas assembly under the able direction of Mr. Dunn and Mr. Flaherty was rather different from those held in the past few years. There were Bible readings, musical selections, group singing and a very beautiful rendition of the Ave Maria, by Irene Falconer.

# Student Council

The Student Council celebrated its eleventh anniversary this year and under the outstanding leadership of Raymond Hall, President; Frederick Parkinson, Vice-president; Fay Butler, Recording Secretary; Sally Bernier, Corresponding Secretary; Marilyn Johnson, Treasurer; and an Executive Board consisting of Peter Saunders (Chairman), William Frates, Joseph Howard, Eugene Erickson, Patricia McGuff, and Janice Greenwood, continued to set an excellent record of achievement.

November sixteenth was the date chosen for the annual Student Council dance which was a success both financially and socially.

After careful planning by the Council and Mr. Hayden, four extra minutes, which could be spent in the lunchroom or outside during good weather, were added to the lunchroom period.

The Red Cross Drive was sponsored by the Council, as in the past, and topped last year's proceeds. The March of Dimes and the Care for Korea drives were also conducted.

New flags were bought for those rooms which either had no flags or were equipped with poor ones.

A committee was formed to revise the Handbook, which is distributed to the incoming Sophomores each year.

At present, the Council is undertaking a project to secure a different type of athletic award letters with a symbol designating the sport in which the letter was won.

The Student Council owes a debt of gratitude to Miss Hubbard, the faculty advisor, who has guided us so untiringly in carrying out our activities, and to the faculty and student body whose co-operation has been so beneficial.

# Pigskin Particulars

Our Norwood eleven, starting the season in high spirits, fell victims to Needham in the initial game of the year. We were not able to penetrate deep into their territory and came out on the short end of a 13-0 score.

Sparked by big Ted Travers and chunky Sal DeRose, who together scored four touchdowns, our boys romped to a 34-14 victory over Framingham.

The following week, we played host to Belmont and once again our ground attack proved to be the decisive factor as we racked up our second victory by a score of 19-13.

In the next encounter we tackled an undefeated Milton squad. Their fine aerial attack baffled us and they walked off the field with their slate still clean—score 27-7.

Despite a terrific Norwood defense, North Quincy by virtue of intercepted passes, scored a 19-6 victory. However, it became evident in this game that our offense was starting to live up to pre-season expectations.

Next we met a strong Braintree eleven and bowed to them 27 to 7. Ken Sykes' forty yard jaunt for a touchdown was the only bright spot of the game for us, and it was really something to watch.

In the Stoughton game which followed, our defense really stopped the famed Klim brothers and only our failure to make the P.A.T.'s prevented us from at least a tie. Ted Travers was easily the star of this game, helped out by some fine line and downfield blocking.

The statistics of the Natick game show everything in our favor but the score. We gained 250 yards by rushing and they gained 200. We gained 145 yards through the air and they gained only 60. They won 26 to 12. Alas and alack!

An otherwise not too glorious season was finally brought to a triumphal conclusion on Thanksgiving day by our first victory in 12 years over our traditional rivals from Dedham, 12-0. The team unit played very well and was featured by Ted Travers' first period touchdown and Freddy Parkinson's second period 75 yard jaunt to paydirt, behind some of the finest blocking seen around these parts for a long time. Honorable mention goes to Dick Surette for his fine play both on offense and defense. Well done boys!

## HILLTOP HOCKEY

The competition in the Bay State League this year was very evenly matched. Every team really had to hustle in every game to win. The Norwood hockey team, coached by Mr. William Hagblom of Walpole, seemed very well balanced this year. The team, led by co-captains Don Wheeler and Connie Seastrand, seemed destined for big things. The starting line was made up of Billy Neilsen, Weed Walker, and Don Wheeler at wings, Connie Seastrand and Ted McCarthy at defense, with Willie Rombola in the goal. The second line was Ted McCarthy, Connie Seastrand, who moved up from defense, and Dick Flaherty, but later on it was changed to Neil McElwee, "Jez" McCarthy, Dick Flaherty, Salvy DeRose, who later played first defense, and Bob Palmer, who played second line defense.

After upsetting Walpole 3 to 1 in their only loss of the season, we lost successively to Waltham 3-0, Boston College High 3-1, Framingham 6-0, Watertown 3-2, Wellesley 4-1, Needham 2-1. This sad tale makes no allowance for the fact that we frequently outskated and outfought our opponents. In the play-offs we avenged our earlier defeat by Framingham 3-2, but lost to Waltham 3-1 and Wellesley 5-0. Nevertheless, Norwood's talent was recognized when they placed four players in the second All-Star team. Co-captain Don Wheeler, high scorer in the team, made the line, with "Badman" Ted McCarthy, whose rugged playing gave the opposition many a headache. Co-captain Connie Seastrand made the defense with his all-around defensive play and Willie Rombola made the goalie position.

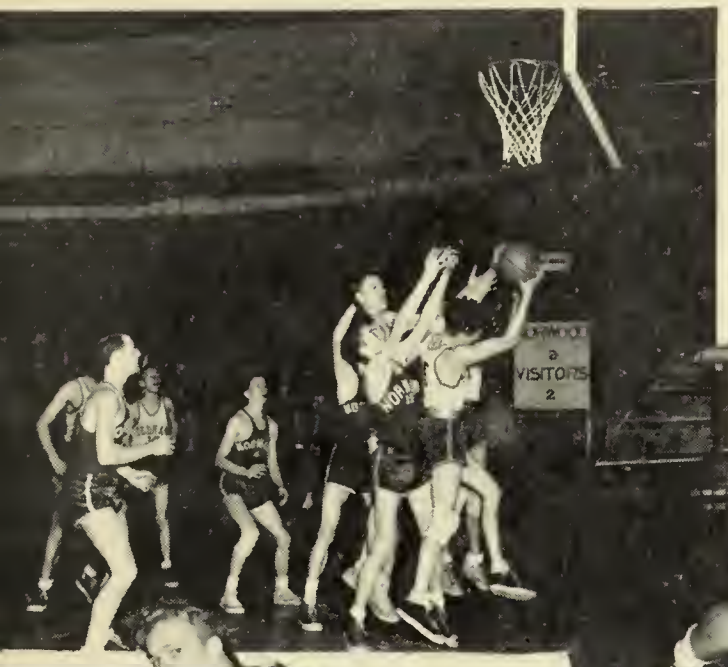
## BASKETBALL BREVITIES

Bright spots this year were our four victories all of which were over our rivals from Dedham and Walpole. Our losses were to Needham, Natick, Milton, Framingham and Wellesley.

The team this year lacked experience and height. Lack of height, more than anything else, was too great a handicap to overcome. Height is very important in today's modern game in order to take full advantage of back board play and control of the ball.

For excitement and interest the two Dedham games were tops, as both were decided and won



JOHN

by us by two points. Dickie Bunker and Johnny Cieri the co-captains of the team, were the leading scorers with 235 and 155 points respectively.

"Red" Murphy, our only player over six feet, and "Packy" Lydon, who is incidently only a sophomore, controlled most of our rebounds and contributed with valuable points. Billy Mahoney, "Bozo" Doyle, and Ralph Naddad also played very well.

Because of the fact that four out of the five starters were Sophomores and Juniors who gained varsity experience and have another full year to grow, we can look ahead to better things during the 1952-53 season.

# DIAMOND DEMONS

VARSITY

## DIAMOND DEMONS

This year we have a championship team. Spirits and morale have been high as we clouted our rivals right and left. We started the season right by defeating last year's champs, Needham High, on our home grounds in a slugfest 10 to 8.

At Wellesley we suffered our only defeat of the opening campaign 7 to 6. Rain intervened on our date with Walpole so our next game was canceled.

We again left home to journey to Milton where we trounced our hosts 7 to 1. Dick Bunker hurled a two-hitter and Dick Surette blasted a 350 foot hit into the tennis courts with two men on.

Another two-hitter resulted in Dedham's defeat 9 to 2 with Bunker again on the mound, and then Parkinson pitched us to a 9-2 victory in the postponed Walpole game.

Framingham went down before our juggernaut 9 to 4, and although Needham strolled confidently on to the field, we showed them 9 to 2 that we were masters, as Buddy King and John Doyle walloped tremendous homers and "Vic" (for Victory) Bunker struck out sixteen with some mighty fine pitching.

Thus far then all is "as merry as a marriage bell", and we piously hope to continue shattering our opponents the rest of the season.

# CLASS WILL AND TESTAMENT

We, the Class of Nineteen Hundred and Fifty-Two, being of comparatively sound mind and body, do hereby set down our last will and testament, bequeathing to those underclassmen so honored our most treasured possessions, acquired and developed under the persevering direction of our able instructors during our three-year interlude on the hill, and do declare all other testaments set forth in our name, null and void.

Article I—To Mr. Hayden we leave our sincere appreciation for his wise and friendly counsel, along with our best wishes for a male student body always equipped with ties.

Article II—To all our teachers we leave a well-earned summer rest as well as our heartfelt thanks for their help and guidance to us along the rocky road to knowledge.

Article III—To Mr. Butler we leave our undying respect and gratitude for having so successfully steered us through our bewildering Sophomore and turbulent Senior years.

Article IV—To Mrs. Riley we leave an orchid for her diligent work to help make our edition of the Yearbook a blue-ribbon candidate.

Article V—To Miss Ryan we leave a private secretary to help manage all that correspondence.

Article VI—To Miss McGonagle, a special typing class that always spells aloud.

Article VII—To Mr. Learnard we bequeath two scientific minds of the first water. The breeding of same is left to the Biology Department.

Article VIII—We leave Miss Johngren with her hopes realized—"Don Ernesto" gone!

Article IX—To our town we leave an edition of the "Tiot," in hopes that it will serve as a perpetual reminder of our pride in being members of it.

Article X—Milda Elias, our dark-eyed Queen of the Gridiron, leaves her pep and personality to Mary McNally, pretty and popular head-cheerleader for '53.

Article XI—Joe Howard leaves his superlative powers to Dick Bunker, the capable Junior "Pres."

Article XII—Jane Kijanowski bequeaths her talented fingers to the Junior girl-Paderewski, Mildred Gnerre.

Article XIII—Mary Folan and Peter Saunders, our version of Alfred Lunt and Lynn Fontanne, leave their abundant talent in the drama field to next year's leading couple.

Article XIV—Dottie Hillman leaves her petite sweetness to Margie Hamilton. Please don't change, gals. We all love you, "just as is."

Article XV—Carol Kenefick and Phil Riley, our distinguished co-editors, leave their ability to organize and produce to 53's Head Tioteers.

Article XVI—The shining black locks of Shirley Cisternelli are left to Ida Cordo, the Junior with the dazzling hair.

Article XVII—Barbara Anderson and Dorcie Lovell leave their title of "Best-Dressed" to Lois Garner and Joyce King, the Juniors with that "Voguish" air.

Article XVIII—Jane Corcoran, thrice captain of the basketball team, bequeaths her athletic prowess to Delal Assim, our candidate for "Most Athletic."

Article XIX—Margie Crosby and Ace Carchedi leave their artistic abilities to the Junior "artists laureate," Patty Magnell and Richard Collins.

Article XX—Paul Foster and Fay Butler thankfully bequeath their jobs as financial wizards of the 1952 Tiot to any enterprising Juniors who are immune to headaches.

Article XXI—The two Johnsons, Marilyn and Carolyn, leave their blond beauty to the brunettes of '53. If you can't do it one way, there's always another.

Article XXII—Don Wheeler and Connie Seastrand leave their sticks and pucks to next year's co-captains. May the championship appear on the horizon.

Article XXIII—Patty Vescio, the "oomph-girl" of '52, leaves her explosive spirit to Joan Sparrow, Junior Bombshell.

Article XXIV—The Football Team sadly leaves Coach Scafati and the gridiron with hopes that the team of '53 can carry the pigskin to another smashing victory over Dedham.

Article XXV—Charlie Ryan and Joe Lydon leave their undying friendship to be spread liberally throughout the underclasses. May their spirit of comradeship always prevail!

Article XXVI—David Burke, our wittiest guy, leaves his password "Veni, vidi, and I turned it into a joke" to any Junior who'll carry on.

Article XXVII—Patty King, the "Gorgeous Gussie" of the Norwood High courts, leaves that terrific serve to next year's "tennis terror."

Article XVIII—"Booka" Shaughnessey leaves his office of Senior Veep to Dick Surette, his Junior counterpart.

Article XXIX—Red Murphy leaves. At last!!

Article XXX—Sally Berniers beautiful features go to Marilyn Swift, a very pretty Junior.

Article XXXI—Ken Sykes bequeaths his good looks, Cadillac, and manly ideas to Valmore Pelletier. Caution: Use with discretion.

Article XXXIII—From the Traffic Squad of '52 to the Traffic Squad of '53—Have Fun!

Article XXXIII—The Senior Class leaves, a little sadly, but with great faith that our generation will see the fulfillment of world peace.

In witness whereof, we have hereunto subscribed our names and affixed our seal, this twelfth day of June, in the year of our Lord, Nineteen Hundred and Fifty-Two.

# *Merci Beaucoup*

We wish to take this opportunity to thank our sponsors and advertisers who have helped us to finance this yearbook. At the same time we wish to suggest to our fellow classmates and to all our friends who read this book that they patronize the stores listed in our advertising section. Yearbook advertising may reach a more limited audience than newspaper advertising, but it is much more permanent and much more handsomely displayed, and it will be read through the years by all of us who cherish this souvenir of happy high school days.
